PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science and Engineering student with hands-on experience in front-end web development using HTML5, CSS3, JavaScript, Git, GitHub, and Responsive Web Design. Completed a Web Development Internship at CODSOFT, where I developed responsive web pages and landing pages. Built a personal portfolio website and completed an AI-based research project that won 1st Prize in a paper presentation competition. Passionate about Full Stack Development with strong problem-solving skills and a commitment to building user-friendly and scalable web applications.
